Dear Parents,

Thank you to all the staff and PTFA who helped with the Hyve Dance Festival last Sunday. It was a great success and the school will now apply for the Arts Mark Award this academic year. The children who attended really enjoyed themselves.

On Wednesday this week the Year 6 had Cyber Safety Training and they have learnt important information about staying safe while enjoying technology.

This week will be the first week where the children will receive homework in their Blue Homework Books. There will be a sample letter inside the cover of the homework books to help new parents understand the homework system in our school. The homework will always be explained clearly to the children weekly in class. Please support your child with their homework and help out. It is a team effort. The homework consists of reading, spellings, tables and Blue Book Project work. If you have any queries please see the class teacher.

The children have been reading very enthusiastically at home already which is great to see. Thank you for all your support. On the 11th October we will have a whole school reading assessment and will look at the quality of reading in our school.

If you would like to meet your child's teacher, please come in on Tuesday at 3.30pm on 26th September for an informal meeting. This meeting will be an opportunity for you to meet the class teacher and hear about the general information about our school, e.g. uniform, tuck, homework and dates.

Don't forget MacMillan Coffee Morning next Friday. Year 3 and 4 will be running a Chocolate Coffee and Tea Shop as part of their assembly on Chocolate. Please stay and be served by our amazing waitresses and waiters!

Have a great weekend. Máire O'Regan
